

The Preconciliar Commission is pleased to announce:

PRE-COUNCIL WORKSHOPS

Saturday, July 20, 2002
1:30 – 4:30 PM

For all participants arriving on Saturday, the following workshops will be offered:
(*FOCUS and Leadership workshops will also be offered during the council*)

MUSIC - A BLESSED MINISTRY: Recognizing our very existence as a worshipping, liturgical Church, these workshops would explore the dimensions of Church singing in the 21st century OCA parish. *This workshop is in honor of Archpriest Sergei Glagolev's 50th Anniversary to the priesthood.*

FOCUS EDUCATION: Through a web-based curriculum providing biblical, liturgical, spiritual and educational resources, learn how to develop a variety of educational programs and lesson plans for all ages and groups in a parish and/or church school program.

PHILOSOPHY OF LEADERSHIP: Discussing various styles of leadership, which affect the parish and the leader himself/herself. This workshop asks how these styles reflect Christ and the Gospels? This is a good starting point for the workshops during the council.
