NOTE: This work is based on a setting of the second Exapostilarion for January 1: Πλότιον ὡβριζέτω, prescribed to be sung to this podoben. The setting mentioned above can be found in a set of four Exapostilarion melodies typeset by Nikita Simmons (2003) from an anonymous handwritten copy (circa 1975) of Exapostilaria found in a collection of Kiev Caves Chant dated 1899 in the library of the St. Elias Skete on Mount Athos.
