Come, all you faithful, let us run to the Vir - gin! For, be -

hold, today she is born, who was foreordained before the womb, as the

Moth - er of our God, the treasure of virginity, the rod of Aaron that

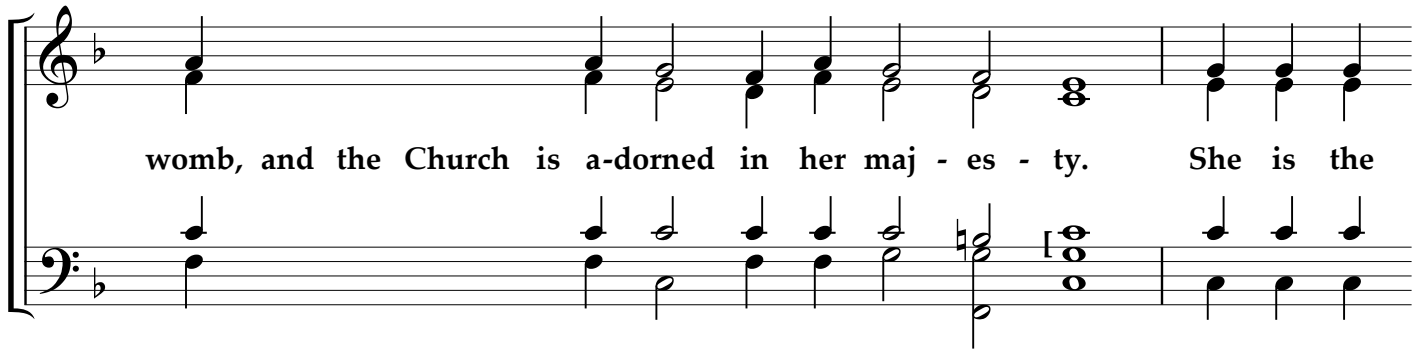

budded, springing from the root of Jes - se, the preaching of

the Prophets, the offspring of the righteous Joachim and An - na.

She is born, and with her the world is re-newed. She comes from the

womb, and the Church is a-dorned in her maj - es - ty. She is the

holy temple, the vessel of the God - head, the virgin instrument and

brid - al cham - ber of the King, in which has come to pass the

strange mystery of the union of the natures that came to - geth - er in

Christ. // As we worship Him, we praise the birth of the all-pure Vir - gin.
