Like a much - la - bour - ing bee, you were an e - lect - zeal - ot

of the mo - nas - tic life, sup - ply - ing our souls - with the writ - ings

of the Fa - thers through which you guide - us on the path

of sal - va - tion. There - fore we cry out to you: "Re - joice,

O tru - ly - wise - Pai - si - us, for through you the tra - di - tion

of spir - it - ual eld - ers has been re - stored - to - us!"
