DEAF AWARENESS MONTH — SEPTEMBER

Support the Orthodox Christian Deaf Association

OCDA

“Help those who are practicing their faith in silence.”

Your Gift at Work

OCDA exists to serve the Deaf and hard-of-hearing in the Orthodox Church. During Deaf Awareness Month, your gift helps us:

- Translate the Divine Services into ASL in collaboration with a team from the Assembly of Canonical Orthodox Bishops in America.
- Create Orthodox education materials accessible for Deaf and hard-of-hearing children, teens, and adults.
- Build a national community, offering study groups, fellowship, and an online platform so people can meet, learn, and connect.
- Host the annual OCDA Conference, providing formation, resources, and support for families and parishes.
- ASL Divine Services: Filming, translation, and quality captioning so Deaf faithful can fully participate in worship.
- Education & Catechesis: Simple, accurate videos and guides for families, catechumens, and parishes.
- Community Platform: Safe spaces to ask questions, find mentors, and gather for prayer and study.
- Annual Gathering: Training for clergy, interpreters, and parish leaders to make worship accessible.
