Dormition of our Most Holy Lady
the Theotokos and Ever-Virgin Mary
Hymn to the Theotokos

The angels, as they looked up on the Dormition of the
Virgin, were struck with wonder, seeing how the Virgin
went up from earth to heaven. The limits of nature are
overcome in you, O Pure Virgin: for birth-giving remains.

virginal, and death is united to life; a

virgin after child-bearing and alive after death,
you ever save your inheritance, O The o-
to- kos.
