Come, all who love the feasts, let us sing together with all the
Angels and saints! Today the laborer rests from his work, and the
earthly voice of the teacher is stilled. Today our Father Alexis
commends his soul to God and becomes a citizen of heaven.
Today Wilkes-Barre rejoices with Minne-ap-o-lis, celebrating the most radiant festival of Saint Alex-is. Exalt him, O bishops!

Praise him, O priests! Be illumined by his teachings, O people!

He now stands before the throne of God // entreat ing Him to save our souls.
A new star has appeared in the heavens, illuminating the spiritual darkness of our times, guiding us on the paths of righteousness, away from the abyss of error. Therefore let us offer hymns of praise to Saint Alexis and venerate his holy icon!

vs. Glory to the Father, and to the Son, and to the Holy Spirit.
Those who fulfill the Gospel teaching of Christ are seen to receive great gifts from God and attain the heavenly Kingdom.
