Kievan Chant
arr. from B. Ledkovsky

Sticheron 1

The sun was darkened by Thy Passion, O Christ, but all creation was enlightened by the light of Thy Resurrection.

V. The Lord is King; He is robed in majesty!

Sticheron 2

Thy life-bearing Resurrection, O Lord, enlightened
the whole universe, recalling Thy crea__tion. De-li-vered from

A-dam’s curse, we__sing: "O Al-might-y Lord, glo-ry to Thee!"

V. For He has established the world, so that it shall never be moved.

Sticheron 3

Thou art the change-less God, Who, suffer-ing in the

flesh, wast

flesh, wast changed. Cre-a__tion could not endure see-ing Thee

on the Cross. It was filled with fear while prais-ing Thy pa
tience. By descending to hell and rising on the third day,

Thou hast granted to the world life and great mercy.

V. Holiness befits Thy house, O Lord, forevermore!

Sticheron 4
knew Thee as God and enlightening the world. Glory to Thee!

Then "Glory..." and the rest.
If there is a Doxastichon appointed from the Menaion:
   "Glory...," Doxastichon, "Now and ever...," Theotokion.
If not, then:
   "Glory...now and ever..." and the Theotokion.
The tone of the Aposticha Theotokion typically follows the tone of the preceding sticheron.
