Theotokion - Dogmatikon
Tone 3

How can we not wondér at your mystical childbearing, O exalted Mother? For without receiving the touch of man, you gave birth to a Son in the flesh, O immaculate Virgin.

The Son born of the Father before eternity was born of you at the fullness of time, O honored Lady. He underwent no
ming-ling, no change, no di-vi-sion, but preserved the fullness of

each na-ture. En-treat Him, O Lady and Virgin and Mo-ther,

to save the souls of those who, in the Orthodox manner, con-fess you/

to be the The-o-tokos.
